Underpinning the organization's education sector initiatives is the ACTIV-Excellence Framework™.

This robust quality and compliance model involves the continuous review and audit of all aspects of AMSI's solutions and the manner in which these capabilities are transferred. The ACTIV-Excellence Framework™ enables organizations the flexible, yet controlled ability to adapt to a changing environment whilst maintaining an optimum standard of work efficiency and harmony. It ensures that the optimal integrity of AMSI's solution delivery processes is maintained in line with our mission of transforming lives through education. Download profile here
