

MOU facilitates providing AMSI teachers with The License to Teach Programme in line with the KHDA's requirements for Teacher Licensing in Dubai

Complementing AMSI's rigorous CPD programme (Continuous teachers' Professional Development), the collaboration enables the AMSI teachers enrolled in the Tes Global "The License to Teach Programme" to meet the KHDA's requirements for Teacher Licensing in Dubai.

The agreement was signed on behalf of the respective institutions by, Mrs. Alissar Nasr Soubra, Chief Academic Officer at AMSI and Ms. Deniece Wheeler, International Partnerships Manager at Tes Institute.

"The Teaching Diploma is a prerequisite to obtain a Teacher Licensing in Dubai and AMSI's collaboration with Tes Global supplements our CDP program, ensures our teachers are updated with the most recent and most effective teaching strategies and trends, and allows them to meet the KHDA's licensing requirements. We always strive to team up with the best providers in their field, and Tes Global is a KHDA Quality Assured Training Provider (QATO)" said Mrs. Alissar Nasr Soubra, CAO at AMSI.
