Academic Solutions

At the heart of AMSI's educational expertise lies its Academic Solutions. Guided by a dynamic Academic Advisory Panel that combines a host of professional backgrounds, AMSI represents a global perspective of leading education systems from around the world. These solutions include:

- Curriculum and Pedagogical Development
- Creative Learning Methods
- International Accreditation Assistance
- Student Assessment Systems
- Guidance Counseling
- Student Life Development Programs
- Academic Publishing
- E-learning Software Development
- Digitization of Curriculum and Education Materials
- ICT Infused Curriculum
- Smart Classroom Implementation

Building Design and Development

Before embarking on a journey to cultivate students' minds, an arena must be set for kindling and embracing their potential. This lies in the essence of the Building Design and Development process. In their pursuit of academic excellence, only schools built on a foundation of passion and efficiency can fulfill this vision. AMSI's tried and proven measures help ensure that the school's investment results in an optimum school design that will reduce running costs, as well as enhance the collective teaching, learning and operational environments. With a multi-disciplinary management team, a cohesive approach to all stages of the Building Design and Development process is guaranteed. The Building Design and Development solutions include:

- Functional and Design Briefing
- Supervision of Design Development
- Architectural Planning
- Engineering Services
- Construction Procurement
- Learning Space Design
- Furnishing, Equipping and Commissioning
- Building and Engineering Maintenance

Support Services

Whether a student is picked up from their doorstep, or a teacher is in need of the latest academic journal, the back-stage operations of any learning institution are an often neglected area of importance. Realizing that effective day-to-day operations of any school requires a safe, orderly and reliable environment, AMSI offers a set of support services that provide students, teachers and staff with the added sense of comfort. This assuredness includes solutions covering:

- Health and Safety
- Logistics
- Procurement
- Equipment Maintenance
- Security
- Cleaning Services
- Catering

Academic-Integrated ICT Solutions

As an extension of AMSI's Consultancy Services, AMSI offers specific ICT solutions that are developed and customized to serve academic processes in a seamless and highly advanced technological context. These solutions are modules that can be deployed on a stand-alone basis, or can be integrated within the AMSI School Management System platform.

- Document Management Solution
- Notebooks for Books (N4B)
- i-LEARN - Self-Paced Learning
- E-Magazine
